

HR: New POI Type

- The following new Person of Interest (POI) Type has been requested and will be included in the April 5 bundle.
- 00033 Precollege Volunteer
- This POI Type is intended to identify and track individuals with this role and create separate services for them that differ from the existing POI Types.
- This POI Type will be used to assign a NETID and granted access to institution specific systems, if needed. No HRS access will be granted.
