

# Furlough Dashboard in UWBI

- A furlough dashboard is now available in UWBI that houses various reports for Time and Labor, HR/Job, Payroll, and eFMLA
- Reports will assist in monitoring things such as:
  - Type of furlough recorded in job data
  - Employees with no furlough recorded in job data
  - Furlough hours reported in Time and Labor
  - No furlough hours reported in Time and Labor
  - Furlough amounts by payroll period
