

General Deductions

Current Biweekly Paid Employees:

- Beginning with the April 22, 2021 paycheck most benefits deductions will be divided evenly over the first two biweekly paychecks each month
- General deductions will not be adjusted and will continue to be withheld based on existing paycheck frequency (1st, 2nd, 3rd paychecks)
- Information for current monthly paid employees will be shared with the Single Pay rollout

WRS Statement of Benefits

Week of April 5th* - WRS Statement of Benefits posted in the portal

*Subject to change, dependent on statements being successfully posted in the portal

- Soon after statements are available in the portal, a portal article will be posted and an email will be sent to employees
- When counseling employees encourage them review their WRS statement and update their beneficiary designation if needed

2021 WRS Contribution Rates:

- UW System – 6.75% of eligible pay for most employees (Protectives with Social Security is 11.75%)
- Employees – 6.75% of their eligible pay

For information on the WRS review the UW System Employee Benefits WRS web page
